

Specialty Camps

Camp Aldersgate collaborates with a variety of health agencies and service organizations to offer Specialty Camps. These camps provide the opportunity to develop a program tailored to the objectives of the agency, as well as, giving participants the opportunity to experience camp activities.

Overnight or Day camp

We offer overnight stays in our seven cabins. The cabins are spacious and comfortably equipped with electricity, heat, and air conditioning, with screened-in back porches overlooking the woods. Each fully accessible cabin has 16 beds, three showers, and three bathroom stalls.

Half day (4 hours) or full day (8 hours) sessions are available as well.

Activities

Choose from a variety of activities led by our trained staff to assist with your programmatic needs.

- Swimming
- Canoeing
- Archery
- Ziplining
- Disc Golf
- Arts & Crafts
- Nature Education
- Fishing
- Carousel rides
- Field Games
- Campfire & S'mores
